## PROJECTS

### Travel Website

A responsive and modern travel website showcasing destinations, packages, and contact options.

- Built using HTML, CSS, and JavaScript with a multi-page layout.
- Features include image sliders, interactive forms, smooth scrolling, and mobile-friendly UI/UX.

### Personal Portfolio Website

A responsive website showcasing projects, resume, skills, and social links with smooth animations and modern UI.

- Developed using HTML, CSS, and JavaScript.
- Features include a responsive layout, interactive sections, and smooth scroll animations.

### Food Delivery App UI

A modern and intuitive food ordering app design created in Figma.

- Designed high-fidelity mockups with modern UI trends and color psychology.
- Built an interactive prototype with screens for home, restaurant, cart, checkout, and tracking.

## Soft Skills

- Problem-solving
- Teamwork
- Time Management
- Effective Communication

## Certification

Machine Learning Certification – Simplilearn (2025)
